linkedin: www.linkedin.com/in/juan-andres-salas

I am a Software Engineer with over 4 years of experience. For more information, please check out my LinkedIn profile listed above.

As a Full Stack Software Engineer, I don't just code; I compose digital symphonies that harmonize innovation, efficiency, and a touch of magic.

Technical Skills:

Programming Languages: JavaScript , Ruby on Rails (RoR), TypeScript, SASS, HTML/CSS, SQL

Technologies/Frameworks: React, Node.js, jQuery, HamI, MySQL, PostgreSQL, Git, Next.js, AWS (S3), Docker, Tailwind, Material-UI (MUI), Express, Prisma, Sequelize, WordPress, Shopify

Others: JIRA, Asana, Confluence, Trello, WordPress, Shopify

Language: English (Advanced C1), Spanish (Native)

Experience:

Frontend Developer
Guarapo Labs

May 2024 - Present
Remote

- Developed custom Ruby on Rails and React web applications, serving a client base of over 300 dealerships.
- Collaborated directly with Redux clients to build and maintain websites for classic and collection car dealerships across the US.
- Leveraged Figma to design visually appealing and user-friendly interfaces.
- Worked closely with Customer Success Managers (CSMs) to integrate continuous feedback and implement improvements to web pages, ensuring an optimal user experience and client satisfaction.

Full Stack Software Developer
Aim Edge Apps

Jun 2023 - Jan 2024
Remote

- Used AI services such as Otter and AWS Transcribe to guarantee the highest quality transcriptions.
- Showcased front-end mastery (React.js 14 and React.js 18, and Material UI) and demonstrated back-end expertise (Node.js, Express, and Python) to ensure seamless data management (Sequelize, MySQL, MongoDB).
- Cultivated and managed client relationships, integrating feedback loops that resulted in a streamlined and optimal user experience using **agile methodology** and **SCRUM** process.
- Integrated **Square for secure payments** and leveraged **AWS (S3)** for scalable and efficient file management.

Education & Relevant Courses

- Mechanical Engineering, 2015-2020 - Universidad del Norte
- Various courses in the tech industry
